

Message from the School

Langdon has earned Bold Improvement Awards (2018 and 2019). We are a nationally recognized Distinguish School (2019) and an OSSE-rated 4-star school (since 2018). We foster an ongoing exchange of ideas through Blended Learning for our scholars to achieve their goals through small group learning. We offer Montessori and Creative Curriculum Early Childhood programs. Our three priorities are building relationships to foster life-long learning, using data to drive instruction, and providing high engagement through content.

School Enrollment

The ever-enrolled count is the total number of students who are enrolled at any point during the school year; a student who attends a school for one day or 180 days is counted the same way. For this reason, the ever-enrolled count will always be larger than the audit count.

Note: Due to variations in schools schedules, attendance data may have been collected differently by schools on synchronous and asynchronous learning days. As a result attendance data is unique to this school year and not necessarily comparable to prior years.

Finance

Per-pupil expenditures represent the average amount of money spent on educating each student. In other words, this value represents the total amount of actual school expenditures divided by the number of students in the school.

2021 Per-pupil Expenditures

Per-pupil expenditure amount is calculated by dividing the total school expenditures by the October enrollment audit count of public school students.

Per-pupil: \$23,178

October Enrollment Audit Count: 358

Details are provided about the funding sources for per-pupil expenditures. State/local sources represent revenue received directly from DC, including local grants and per-pupil funding.
