## Message from the School

Peabody ES is an ECE campus, serving PK3-K. As a model Creative Curriculum school, our faculty is trained and passionate about integrating learning with real life, using the arts and a hands-on, inquiry-based approach to teaching and learning. We assess each child to learn their strengths and areas for development and support their unique and individual growth. We use our edible and ornamental gardens, the Capitol Hill neighborhood and Washington, DC as an extension of the classroom, preparing our students to be successful.

## School Enrollment

The ever-enrolled count is the total number of students who are enrolled at any point during the school year; a student who attends a school for one day or 180 days is counted the same way. For this reason, the ever-enrolled count will always be larger than the audit count.
