Message from the School
Located in the historic Shaw neighborhood, Seaton Elementary has an extremely diverse, multicultural staff and student population. Although our students hail from different cultural backgrounds, they have formed strong bonds and have created a thriving school community. At Seaton, we have a strong English as a Second Language program that serves students who speak Chinese, Spanish and Amharic. When our students leave Seaton, they should be able to excel in middle school and throughout the rest of their academic careers.
School Enrollment

The ever-enrolled count is the total number of students who are enrolled at any point during the school year; a student who attends a school for one day or 180 days is counted the same way. For this reason, the ever-enrolled count will always be larger than the audit count.
