Message from the School
Eliot-Hine is an International Baccalaureate School rooted in our core values of excellence, responsibility, integrity, and community. Our goal is to develop inquisitive, international-minded learners who think globally and act compassionately. We offer rigorous academic and social-emotional instruction and opportunities to apply this learning in real-world scenarios.
School Enrollment

The ever-enrolled count is the total number of students who are enrolled at any point during the school year; a student who attends a school for one day or 180 days is counted the same way. For this reason, the ever-enrolled count will always be larger than the audit count.

Attendance

Review information on attendance below, including in-seat attendance for all students (there is a separate measure of attendance for pre-K students, since pre-K is not compulsory), and the percentage of students chronically absent, meaning that they miss at least 10% of the school days for which they are enrolled throughout the school year at the school. Note: Due to variations in schools schedules, attendance data may have been collected differently by schools on synchronous and asynchronous learning days. As a result attendance data is unique to this school year and not necessarily comparable to prior years.
