Message from the School
LAMB’s mission is to create a self-directed learning environment in which children build a foundation of knowledge essential for a lifetime of learning while developing bi-literacy in English and Spanish. The school operates from three sites and serves students from preschool through 5th grade. LAMB’s reach goes far beyond the four-walls of the school with students and families coming from all eight wards across the District of Columbia.

**School Enrollment**

The ever-enrolled count is the total number of students who are enrolled at any point during the school year; a student who attends a school for one day or 180 days is counted the same way. For this reason, the ever-enrolled count will always be larger than the audit count.

Per-pupil expenditures represent the average amount of money spent on educating each student. In other words, this value represents the total amount of actual school expenditures divided by the number of students in the school.

### 2021 Per-pupil Expenditures

Per-pupil expenditure amount is calculated by dividing the total school expenditures by the October enrollment audit count of public school students.

- **Per-pupil:** $18,018
- **October Enrollment Audit Count:** 519
- **Total School Expenditures:** $9,351,359
- **Total Excluded Expenditures:** $12,087,587

Excluded expenditures include: debt service, capital expenditures, construction and capital improvements, community service operations, and expenditures sourced from private funds (such as parent fees and corporate or charitable donations.) These are not included in the per-pupil expenditure calculation because they are considered outside of the day-to-day operation of the school.

### 2021 Total Expenditures

The sum of total school and excluded expenditures is the total amount of money the LEA spent for the fiscal year.

**Total Expenditures:** $21,438,946

Per-pupil Expenditures by Funding Source

Details are provided about the funding sources for per-pupil expenditures. State/local sources represent revenue received directly from DC, including local grants and per-pupil funding. Federal sources include federal revenue, such as Title I funds and IDEA funding. Per-pupil expenditures are displayed compared to the LEA and DC average.
