

Message from the School

H.D. Cooke is a Global Studies school serving students in PK3 - 5th grade. We use our Global Studies program and partnership with Project Zero to provide a framework of academic challenge that encourages students to embrace and understand the connections between traditional subjects and the real world. In addition to our Global Studies program, we also have School-wide Enrichment, with PK-5th grade students participating in Enrichment Clusters.

School Enrollment

The ever-enrolled count is the total number of students who are enrolled at any point during the school year; a student who attends a school for one day or 180 days is counted the same way. For this reason, the ever-enrolled count will always be larger than the audit count.
