

## Message from the School

At C. W. Harris, our mission is to collaborate with our families and community partners to provide an academic experience that is rooted in developing the whole child. Through student centered learning, we will inspire creativity, cultivate growth and develop the diverse strengths and talents of our community. In 2020 C.W. Harris completed a \$50M modernization that has equipped us with all new amenities including a turf field, updated playgrounds and classrooms, new school garden areas and a teaching kitchen.

## School Enrollment

The ever-enrolled count is the total number of students who are enrolled at any point during the school year; a student who attends a school for one day or 180 days is counted the same way. For this reason, the ever-enrolled count will always be larger than the audit count.
