

## Message from the School

We are a loving school family committed to educating the whole child with joyful and rigorous learning experiences; we believe social emotional development is just as important as academics! We use the Conscious Discipline program to instill children and adults with the knowledge and skills necessary to understand and manage their emotions, set and achieve positive goals, feel and show empathy for one another, establish and maintain positive relationships, and make responsible decisions.

## School Enrollment

The ever-enrolled count is the total number of students who are enrolled at any point during the school year; a student who attends a school for one day or 180 days is counted the same way. For this reason, the ever-enrolled count will always be larger than the audit count.
