Our belief is that Browne Bombers can accomplish any goal they commit to reaching. We vehemently believe that every child needs and deserves a champion to push them toward greatness. Browne EC is also committed to a well-rounded education. We understand success in the 21st century requires more than reading writing, and arithmetic. Our desire is to empower students to become the change their communities require to thrive. We educate and inspire, teach and transform, every student every day at Browne EC.

School Enrollment

The ever-enrolled count is the total number of students who are enrolled at any point during the school year; a student who attends a school for one day or 180 days is counted the same way. For this reason, the ever-enrolled count will always be larger than the audit count.
