

## Message from the School

Thaddeus Stevens Early Learning Center is a standalone early childhood school within DCPS. After a full modernization, the historic Stevens School now serves PK3 and PK4 students from across the District of Columbia. Stevens also serves as the location for a new programming partnership between DCPS and CentroNia, providing a birth-to-five continuum of care in one building. The Stevens ELC staff believes that exploration, creativity, and play serve as the foundation for joyful learning experiences for our young Superstars.

## School Enrollment

The ever-enrolled count is the total number of students who are enrolled at any point during the school year; a student who attends a school for one day or 180 days is counted the same way. For this reason, the ever-enrolled count will always be larger than the audit count.
