

Message from the School

YouthBuild DC Public Charter School (YBPCS) is an alternative high school for 16-24 year-olds seeking to transform their lives by re-engaging in a non-traditional educational environment. We prepare students for post-secondary education and the workplace by offering academic, vocational, and workforce development programs in English and Spanish. Community service projects also drive students' personal transformation throughout the year.

School Enrollment

The ever-enrolled count is the total number of students who are enrolled at any point during the school year; a student who attends a school for one day or 180 days is counted the same way. For this reason, the ever-enrolled count will always be larger than the audit count.
