

## Message from the School

Our mission is to prepare students to succeed in college and actively engage in our democratic society. We have a proven track record for success with more than sixteen graduating classes boasting 100% college acceptance. More than 80% of the class of 2018 went on to enroll in college within one year of graduation.

**School Enrollment**

The ever-enrolled count is the total number of students who are enrolled at any point during the school year; a student who attends a school for one day or 180 days is counted the same way. For this reason, the ever-enrolled count will always be larger than the audit count.
