

Message from the School

The Goodwill Excel Center is a unique, tuition-free adult charter high school that awards industry recognized certifications and high school diplomas, not GEDs, to adult learners in the District. The first of its kind in the District, the Excel Center responds to the fact that life commitments, and circumstances can often stop people from continuing their high school education. GEC offers access to transportation assistance and child care.

School Enrollment

The ever-enrolled count is the total number of students who are enrolled at any point during the school year; a student who attends a school for one day or 180 days is counted the same way. For this reason, the ever-enrolled count will always be larger than the audit count.
