Message from the School

Maya Angelou Academy at New Beginnings provides onsite educational programming at New Beginnings Youth Development Center. Many students come to New Beginnings with a history of challenges that have hindered their prior academic progress. While enrolled in our school, our scholars are taught to be independent, resilient, respectful, and to successfully reintegrate back into their community school.

School Enrollment

The ever-enrolled count is the total number of students who are enrolled at any point during the school year; a student who attends a school for one day or 180 days is counted the same way. For this reason, the ever-enrolled count will always be larger than the audit count.
